#### 7.2. Imposition of Penalty

The Tamil Nadu Information Commission has imposed a maximum penalty of Rs.25,000/- each in respect of 17 Public Information Officers of various Public Authorities amounting to Rs.4.25 lakhs under Section 20(1) of the RTI Act, 2005. The Commission by invoking Section 20(2) of the RTI Act, 2005 has recommended to the concerned authorities to initiate disciplinary action against 40 Public Information Officers.

### **7.3. Awarding of Compensation**

Under Section 19(8) (b), the Commission may require the public authority to compensate the complainant for any loss or other detriment suffered. During the year 2014, the Commission by invoking the above Section has ordered awarding of compensation by the public authorities concerned in respect of 19 cases amounting to Rs.34,200/-.

### **7.4. Recommendations**

1. As per Section 25(2) of the RTI Act, 2005, each Ministry or Department shall, in relation to the public authorities within their jurisdiction, collect and provide such information to the State Information Commission as is required to prepare the report under this section. Most of the public authorities are sending their reports belatedly which in turn hampers the preparation of the Annual Report in time by the Commission thereby resulting in delay in placing the Annual Report before the Assembly. It is, therefore, recommended that suitable instructions be issued by the Government that all the public authorities should fulfill their obligations laid under Section 25(2) of the RTI Act, 2005.

2. The Commission imposes penalty under Section 20(1) of the RTI Act, 2005, on the Public Information Officers who have not furnished the information or refused to furnish such information within the specified time and also directs the Head of the Department concerned to recover the penalty imposed and remit it to the Government account. A suitable mechanism be evolved by the Government for monitoring the recovery of such penalties without default.

3. The Tamil Nadu Information Commission is functioning in a rented building owned by the Tamil Nadu Slum Clearance Board, at No.2, Thiyagaraya Road, Teynampet, Chennai - 600 018 on a monthly rent of

Rs.4,87,700/-. As against the sanctioned strength of State Chief Information Commissioner and six State Information Commissioners, only three Enquiry Halls are available in the existing premises and other public utilities such as parking space are not adequate. The State Government is requested to take steps for provision of an independent office building of its own in the place where the public will have easy access.

4. The budget allocation for Tamil Nadu Information Commission may be brought under "Charged Head" instead of "Voted Head".

5. Under Rule 4(1)(b) of the RTI Act, all Public Authorities are expected to publish information under 17 heads. Further under Section 4(2) of the Act, such information is to be provided suo motu to the public at regular intervals including through internet. All Public Authorities need to update the information periodically, especially on their web sites. Suitable instructions in this regard may be issued by the Government.

6. A petitioner is expected to approach the Commission only after exhausting his option under Section 19(1) of the RTI Act, 2005, to file an appeal before the Appellate Authority (an officer senior in rank to the Public Information Officer). In most cases, the first Appellate Authorities either fail to pass orders or simply forward the petition to the Public Information Officer himself or pass orders without due appreciation of the facts. As a result most of the petitioners resort to Second Appeals before the Commission.
